Two bits of good OZY news out of my call with Samir.

1. They signed a two-year \$20M deal with [REDACTED] [REDACTED] calling it "an investment in responsible journalism" and it will bring its biggest brands into the OZY sphere.

2. [REDACTED] is writing a \$30M check as lead in \$65M Series D. \$300M pre, basic/clean terms. Expected to close within 30 days.

Will take a 45-day 2X.
